

Winchester Road Corridor Study

Local government is leading a study of the Winchester Road Corridor. The team is proposing catalyst sites for future improvement. We want to let you know what this means for you, and hear your ideas as we shape what comes next.

Join us for a check-in to see the proposed sites, ask questions, and share your feedback directly with the project team.

**Join us for a virtual
stakeholder check in!**

**Thursday, October 22
12-1pm or 5-6pm**

Catalyst Sites:

- » **Site 1:** Winchester Road between Liberty Avenue and Brown Avenue.
- » **Site 2:** NW corner of Winchester Road and New Circle Road.

For details, visit
our website

What does a "Catalyst Site" Mean?

Catalyst Site = Area where future private and public funds support local businesses.

✓ **This study WILL:**

Explore possibilities for these sites. This could mean sharing ideas to make the area look better, the road safer, and development more successful.

✗ **This study will NOT:**

- » NOT Force property owners to redevelop their property.
- » NOT change the permitted use or zone.
- » NOT change your property rights or what you're allowed to do.

Please attend the virtual stakeholder check into learn more, ask questions, and share your perspective!
